PROFESSIONAL SUMMARY

High-achieving First-Year Software Engineering student at Universiti Malaya (4.00 Matriculation CGPA) with a strong foundation in Python development, state-level competitive programming success, and proven student leadership experience. Passionate about web development, interactive logic engines, and modern developer tools.

EDUCATION

Universiti Malaya (UM) Kuala Lumpur, Malaysia
Bachelor of Computer Science (Software Engineering)
Incoming First-Year Student

Pahang Engineering Matriculation College 2025 – 2026
Matriculation Programme Certificate

- **Academic Achievement:** Cumulative Grade Point Average (CGPA): **4.00 / 4.00**

SMK Seri Tualang 2020 – 2024
Sijil Pelajaran Malaysia (SPM)

- **Academic Achievement:** 10 Straight As (7 A+, 1 A, 2 A-)

TECHNICAL PROJECTS

Engineering Field & Career Navigator Web App Technologies: Web Dev, JavaScript, Interactive UX Logic

- Engineered an interactive web application featuring a 1-minute diagnostic mini-game to evaluate user interest and recommend specialized engineering tracks (CS, Mechanical, Civil, Electrical).
- Designed a curated hub offering field-specific videos, beginner project ideas, and team-building matchmaker concepts.
- Implemented frontend routing logic and interface layout within a structured local development environment.

Personal Developer Portfolio Website Technologies: AntiGravity Framework, HTML/CSS, UI/UX

- Developed a responsive web portfolio to present software engineering projects, academic wins, and technical capabilities.
- Implemented modular UI components and modern styling standards to optimize cross-device user experience.

SKILLS & LANGUAGES

Programming & Tools: Python (Basic), AI-Assisted Development Tools, Git/GitHub, Microsoft Office Suite
Languages: English (Fluent), Bahasa Malaysia (Native), Tamil (Native), French (Elementary)

HONORS & ACHIEVEMENTS

- **Consecutive Gold Medalist** — Invention, Innovation & Design Exploration (IIDEX, 2017 & 2018)
- **Gold Medalist (2017) & Bronze Medalist (2016)** — International Young Inventors Award (IYIA)
- **2nd Runner-Up** — State-Level Coding Competition (SMK Seri Tualang)
- **3rd Place** — State-Level Essay Writing Competition (2022)
- **1st Runner-Up** — College-Level Badminton Tournament (Pahang Engineering Matriculation College)
- **Champion** — School-Level Badminton Competition (SMK Seri Tualang)

LEADERSHIP EXPERIENCE

Badminton Club – Pahang Engineering Matriculation College President (2025 – 2026)

- Managed end-to-end operations, court logistics, scheduling, and tournament structures for college-wide competitions.

ICT & Multimedia Club – SMK Seri Tualang President

- Spearheaded school-wide technology initiatives and conducted basic programming and digital literacy workshops for junior students.

Badminton Club – SMK Seri Tualang Secretary (2020 – 2024)

- Overseed official administrative documentation, tournament schedules, meeting minutes, and club membership records.
